

Kranbasis, suppleret m. samløft med kraner - ENG.

Kort fortalt

På dette kursus lærer du at betjene certifikatbelagte kraner omfattet af §4 i arbejdstilsynets bekendtgørelse nr. 1346 af 29/11/2017 om arbejdsmiljøfaglige uddannelser. Du lærer også at udføre samløft med 2 kraner. Kurset afsluttes med en teoretisk og praktisk prøve. Når prøverne er bestået udsteder skolen Kranbasiscertifikatet.
